

TERMS OF SERVICE [TOS]

- 1 You must complete all required portions of the form on the reverse of this page to be considered for a listing on the web site and sign at the bottom. The form must be signed by you and mailed from your institution. If you have a friend in prison **WHO IS ALSO GAY AND WISHES TO BE ON THE SITE HE MUST REQUEST AN APPLICATION. WE DO NOT HONOR REQUESTS FROM INMATES REQUESTING MULTIPLE BLANK APPLICATIONS.**
- 2 Please send only one picture of yourself. We only use face pictures on the web site. We can, however, pull a picture of your face from almost any photograph in which you are in the picture. You must include a self-addressed stamped envelope to have both your picture returned and notification the listing has been published. If you send a picture including other people, please indicate either on the front or the back of the picture your location within the photograph. We do not publish your art drawings, sketches or self-portraits. **Also put your last name on the back of the photograph along with the year the photograph was taken.**
- 3 Applicants who do not submit a picture will have a generic graphic placed where a regular photograph goes. At a later time when a photograph is received, that generic graphic will be replaced with your photograph. Those with photographs, as a general rule, receive more responses than those listings without a photograph.
- 4 The web site reserves the right, without explanation or adjudication, to edit any information that, at our sole discretion, is considered to be sexually suggestive, inappropriate, misleading or false. Inmate information is regularly checked with the state DOCs and the BOP. In other words, do not lie. If you do, you will be found out and your listing immediately removed or never published. Try and run a scam and you run the risk of facing a federal charge of mail fraud or worse. Just a few words to the wise.
- 5 DO NOT use abbreviations when listing your criminal charges. Write out the entire name of the charge. Web site visitors do not know what those abbreviations mean. Do not use the term **SOMEONE** when you are seeking a relationship or a guy to write. Say you are seeking a guy, transgendered or something indicating gender and sexual preference.
- 6 **Your listing remains on the site until one of these events happens: [1] a year has passed since your listing was published and you have not sent us notification you wish to renew [2] parole [3] sentence completed [4] you request removal [5] there is an indication you are NOT gay and/or have provided false, invalid or misleading information on your application [5] the site closes, ceases to exist. If a year has passed and you did not notify us of your desire to renew the listing for another year, and we have already removed the listing, you will have to pay again to be placed back on the web site. Yearly renewals are not charged, but if you fail to renew your listing you will be charged the going fee to re-list yourself.**
- 7 You may change the wording of your listing as often as you like as well as provide updated photographs. You should notify us of any address change.
