

GPUSA PREMIERE LISTING

Anytime you wish to communicate with us & want a reply you must include a stamped envelope

YOUR NAME _____ PRISON NUMBER _____

FACILITY _____ CITY _____ STATE _____

Due to demand by some of our inmate friends, GPUSA is now making this option available. If you choose this option, please complete the enclosed regular enrollment form, then complete this page, enclose the optional material you are allowed to publish and the \$25.00 and send it all to P.O. Box 19134, St. Louis, MO., 63118. **The check or money order should be payable to LEE YOUNG to avoid us having to return both your check-money order and application thus delaying us publishing your listing.**

WHAT YOU GET FOR \$25.00

1] Our regular listings are all grouped together on one page for the state in which the inmates are incarcerated. Inmates who opt for a Premiere listing are on a page by themselves thereby allowing for greater exposure, more photographs, larger type faces and routing of Internet visitors to their page by a button on the main page saying PREMIERE LISTINGS.

2] Unlike with regular listings, you may include up to **4 photographs of yourself, up to 2 poems, 2 art works that can fit in a No. 8 standard office envelope.** You may send us larger art works for reproduction in your listing, BUT BE AWARE ANYTHING THAT CANNONT FIT IN THE STANDARD OFFICE ENVELOPE WILL **NOT** be returned.

3] If you choose the Premiere option, leave the **COMMENTARY** section of the standard application **BLANK**. Instead **PRINT** your commentary on a standard piece of writing paper. If we cannot read your writing, we will have to mail everything back so you can make it readable, thereby delaying publication of your listing. Also, make sure you **SIGN AND DATE** were required on the standard application. Failing to do so will also delay your listing's publication.

4] Unlike standard listings, you **MAY** include sexually graphic dialogue, photographs or video. We realize the video may have to be provided by a 3rd party outside your institution.; If a 3rd party is involved, we need to know that they will be mailing something. Also video sent to us must play on a computer. Be aware, however, some who might otherwise consider writing to you may not do so if you have such comments or items available. Fair warning! The choice is yours.
